

**Summer Banquet Weekends**.....[ Still Available ]

It's not too early or too late... this summer's Great Banquet weekends are full with a small waiting list, but God has a plan for your guest. Remember to pray about whom God would have you sponsor before you invite anyone. Please consider and pray about sponsoring a husband and wife as a couple, even if you know only one of them. You can do it, if you are intentional.

If you're sponsoring a women, please indicate on the application which weekend she would like to attend [No. 82 or 83]. If she does not have a preference, please indicate that as well.

To everyone who sponsored a guest on the last set of weekends in the fall that declined the invitation, they are "on" the list for this upcoming weekends. If you would like to see which weekend list your guest is scheduled for to start making plans, please contact Bob Moss at [bkntmoss@juno.com](mailto:bkntmoss@juno.com) or call at 765-453-9153.

Please lift up in prayer the upcoming teams and their leadership:

Rick Shuck, Lay Director | Paul Martin, Head Spiritual Director

**August 4—7, 2011** — Kokomo Women's Great Banquet No. 83

**August 11—14, 2011** – Kokomo Women's Great Banquet No. 84

**Gathering | Dedication**.....[You are Needed]

Our next community Gathering and Awakening Team Dedication will be at 6:30 PM on Tuesday, May 17th at **Crossroads Community Church**, Kokomo, Indiana. It's special, and maybe the one of the most important Gatherings of the year. Come pray for the Awakening team, and prepare them for God's work in the upcoming June weekend.

Gathering nights are an excellent opportunity to become a server of God for the Banquet weekends. Non-team members play a significant part of the Banquets; therefore, we are asking you to come with open hearts and sign-up for serving meals, bringing snacks and agape, and most importantly, filling the prayer charts. Let's overflow each weekend's chart and double-up every half-hour slot. Don't let this opportunity pass you by.

**Board of Directors**.....[ Pray Request. Roles ]

Have you noticed those names on the bottom of Page 3? Look closely. These individuals are the Kokomo Great Banquet's Board of Directors. More importantly, they are the prayer warriors for the Community and Awakening Lay Directors. Please continue to pray for these servants to have wisdom to guide the community, to listen and select weekend lay directors, and navigate behind the screens as the hands and feet of Christ. Specifically, we ask that you pray for each individual by name and their corresponding roles: Kent Wilson as chairman, Perry Martinson as secretary, Pat Bevington as reunion coordinator, Mike Dunn as gathering coordinator, Jerry Van Auken as spiritual director, and Gary Britton, Kay McCormick, and John Holmann as willing servants, gaps fillers, and support as needed roles.
